

Timeless Ambience

Built in 1866-68 as a United Presbyterian Church this building has served the North Richmond area for nearly 150 years. The original organ pipes have been restored and decoratively painted. A Bush and Lane Baby Grand Piano, high barrel ceiling and crystal chandeliers add to the ambience of the chapel. The stained glass windows are splendid with their many brilliant colors and classic cathedral shaping. Hand carved Pews and woodwork show true craftsmanship.

Choose from traditional Brass or Black Arches and pew candles or lanterns. The view from the balcony is breathtaking. Perfect for pictures!!!

Chapel and Banquet Hall are available for concerts, dinner parties, business meetings. Seats 100 for dinner, 250 Theater.
